MANDATORY ANTI-DOUBLE BROKERING SECURITY PROHIBITION (49 CFR § 371.3)

Carrier expressly certifies and covenants that this shipment will be transported exclusively upon carrier's own equipment operating under carrier's own active FMCSA authority. Co-brokering, re-brokering, subcontracting, or unauthorized trip-leasing to third parties is strictly prohibited. Any violation constitutes an intentional breach of contract resulting in immediate 100% forfeiture of agreed freight compensation, immediate cancellation of contract, and reporting to the FMCSA National Consumer Complaint Database.
